

VISION

All Nova Scotians achieve their learning goals and fulfill their potential.

MISSION

LNS provides leadership to advance literacy for Nova Scotians by supporting access to quality literacy, essential skills, and lifelong learning opportunities.

Core Values

Leadership

Responsiveness

Professionalism

Commitment

Honesty

Collaboration

Equity

LEADERSHIP

STRATEGIC PRIORITIES

LIFELONG LEARNING

LNS will assume a leading role in the pursuit of literacy development in Nova Scotia. This will result in members, Community Learning Organizations, and other stakeholders looking to LNS for guidance and direction in the areas of professional development, programming, funding, literacy promotion, and more.

QUALITY LITERACY & ESSENTIAL SKILLS

LNS will be steadfast in its pursuit of helping Nova Scotians who are below Level 3 on the Program for International Assessment of Adult Competencies (PIACC) to improve their literacy skills. We will continue to find new and creative ways to promote the importance of literacy and convey the impact it has on the lives of Nova Scotians.

LNS will actively promote the value of lifelong learning and work towards building a culture of lifelong learning throughout Nova Scotia. LNS does this to ensure that all learners are empowered to fully participate in society for the betterment of themselves and their communities.
